AMERICAN JOURNAL of INTERNATIONAL LAW

'A' Rated—AALS Law Books Recommended for Libraries
List 46, International Law, Page 3

"Nobody working in international law can do so without the *American Journal of International Law*." - Professor
Jochen Abr. Frowein, Director, Max Planck Institute for Comparative Public Law and International Law

The distinguished *American Journal of International Law* has been published quarterly since 1907. It features articles, editorials, notes, and comments by preeminent scholars on developments in international law and international relations, as well as summaries and analyses of decisions by national and international courts. Contemporary U.S. practices in international law are also covered, and each issue lists recent publications in English and other languages, many of which are reviewed in depth. The *Journal* is indispensable for all professionals working in international law, economics, trade and foreign affairs.

PROCEEDINGS of the AMERICAN SOCIETY of INTERNATIONAL LAW

'A' Rated—AALS Law Books Recommended for Libraries List 46, International Law, Page 10

"The *Proceedings* is an invaluable source of current opinions on international law problems."

-Keith Highet, *Counsellor in International Law*

The ASIL *Proceedings* forms a record of the Society's Annual Meetings, the first one being held in 1907. At these events international scholars, practitioners, and experts gather to discuss and present research papers on the latest developments in such areas as trade and investment, the environment and human rights, and in such regions as the Middle East, Latin America and Europe. Also included are speeches given by U.S. government and international officials, who often use the occasion to make major policy statements.

CAREERS in INTERNATIONAL LAW: A GUIDE to CAREER PATHS and INTERNSHIPS in INTERNATIONAL LAW (2009-2010 Edition)

This *Guide* is a valuable resource for any student or new professional considering a career in international law, providing advice concerning internships and career paths in public and private international law fields, such as human rights, international trade, the environment, telecommunications, finance and banking, international development, and dispute resolution.

Overviews of the areas discuss career paths and employment trends, and give suggestions on career preparation. Detailed information and descriptions of internships are provided, as are procedures for applying. The *Guide* also contains essays, in which seasoned practitioners and academics active in areas ranging from public international law to human rights law share their experiences and offer advice.

INTERNATIONAL LEGAL MATERIALS

'A' Rated—AALS Law Books Recommended for Libraries List 46, International Law, Page 37

"The raw material of international law is widely generated and often hard to find. *International Legal Materials* is unique in ferreting out and quickly reproducing the most important of current documentation." - Stephen M. Schwebel, former President of the International Court of Justice

Published bimonthly since 1962, *International Legal Materials* provides the basic, primary documents of research and analysis. Materials are selected for their usefulness to scholars, practitioners and business and government officials, both in the United States and abroad. Each issue contains the full texts of important treaties and agreements, judicial and arbitral decisions, national legislation, international organizations resolutions, and other documents.

Celebrating the First 100 Years of the American Society of International Law-

A CENTURY OF INTERNATIONAL LAW American Journal of International Law Centennial Essays

The 13 collected essays in this work celebrate the first 100 years of the ASIL. The distinguished authors were asked to look back over the last 100 years and consider how international law and our understanding of it have flourished and faltered, and look ahead to the challenges facing us in the future.

TRILATERAL PERSPECTIVES on INTERNATIONAL LEGAL ISSUES

The purpose of this series is to bring the expertise and different perspectives of international legal scholars from different countries to bear on important international law issues of our time.

Series Price (Includes Title 1, Title 2, and Title 3).....\$295.00

Please note: Due to contractual agreements with the original publisher, **Titles 1 and 2 in this series can only be purchased as part of a package with all three titles in this series. TITLE 3 can be purchased separately.**

Item #330290

Title 3: Conflict and Coherence

Edited by Chi Carmody, Yuji Iwasawa, and Sylvia Rhodes

This volume explores the theme of conflict and coherence between international and domestic law systems in five areas: the domestic application of international law, a multilateral judgments convention, peace and security, trade, environment and investment, and the law of the sea.

1 volume.....\$45.00

Item #329720; xxii, 427 pages; ISBN 0-9729423-0-0; 2003

Title 2: From Theory into Practice

Edited by Thomas J. Schoenbaum, Junji Nakagawa and Linda C. Reif

This is the second volume of essays growing out of the cooperative research sponsored by ASIL, the Canadian Council on International Law, and the Japan Association of International Law.

(This title can only be purchased as part of a package with all three titles in this series.)

Item #330310; xi, 404 pages, ISBN 1-57105-077-9; 1998

Title 1: Relevance of Domestic Law and Policy

Edited by Michael K. Young and Yuji Iwasawa

In this work, prominent legal scholars from the United States, Canada, and Japan analyze critical areas of international law and offer important insights into groundbreaking developments concerning the Law of the Sea and Environmental Law; Extraterritorial Application of Domestic Law in the fields of Trade and Economic Regulation; Japan-North American Economic Frictions; post-Cold War issues; and more.

(This title can only be purchased as part of a package with all three titles in this series.)

Item #330300; xxxii, 604 pages, ISBN 1-57105-003-5; 1996

STUDIES in TRANSNATIONAL LEGAL POLICY

"The studies contain stimulating discussions and ideas that no one in the field can afford to neglect.." -Eli Lauterpacht, Q.C., *Honorary Professor of International Law, University of Cambridge*

Leading authorities analyze current issues such as the effectiveness of international organizations, dispute settlement, human rights, international terrorism, and national treaty law in the series *Studies in Transnational Legal Policy*. Papers are also drawn from the research work of the Society.

As distributor for all titles in this invaluable series, William S. Hein & Co., Inc. is pleased to announce **the availability of the latest title in the series...*Trade as Guarantor of Peace, Liberty and Security? Critical, Historical and Empirical Perspectives***. This critical work constitutes the first time that the American Society of International Law's International Economic Law Group has published in book form the proceedings from one of its annual conferences.
