Chiva... Document Dump... Paris Club... Quiet Period... BASE Jumping... Golden Leash Award... Igloo Space

The **2006 Supplement to the Third Edition** contains approximately 700 new, updated and revised terms which have been carefully selected to help the reader achieve the superior communication skills which are essential for success in the always challenging legal arena.

Since the *Third Edition* came out in 2001, many new words have gained relevance in the legal field, while other words and expressions have taken on a new or modified meaning.

Together, the exceptional **third edition and the 2006 Cumulative Supplement present nearly 10,000** modern terms and concepts that relate to both private and governmental organizations. Unlike traditional law dictionaries such as Black's, Ballantine's or Bouvier's that expound legal terms and concepts, the *Modern Dictionary* focuses on terms from a wide variety of fields (that attorneys and other members of the legal profession are apt to come into contact with) thus giving practitioners a central reference for terms for which no ready source of explanation is available.

Modern Dictionary provides one convenient source for locating explanations of terms from a vast variety of subject areas. While designed to be a reference tool for the legal profession, it is also enjoyable to browse. The definitions are written in a captivating style that catches the reader's interest. **Regular supplements such as the 200 edition will keep the researcher up-to-date with the most current terminology.**

What are they saying?

“A lot of book for the money.”

– American Reference Book Annual

“Highly recommended for law professionals (attorneys, secretaries, paralegals, faculty, students) and law libraries.”

– CHOICE Magazine

About the authors...

Gerry W. Beyer is the Governor Preston E. Smith Regents Professor of Law, School of Law, Texas Tech University. He received his J.D. *summa cum laude* from the Ohio State University, and his LL.M. and J.S.D. from the University of Illinois. He has served as a visiting professor at the Boston College Law School, the University of New Mexico Law School, Southern Methodist University School of Law, and the Santa Clara University School of Law. He is a member of the Order of the Coif, has received several outstanding and distinguished faculty awards, and he has authored and co-authored many nationally published books and law review articles.

Kenneth R. Redden (1917-1998), Professor of Law Emeritus, University of Virginia Law School. Professor Redden taught and practiced law, was a consultant to state agencies and federal departments, and served as a legal advisor to numerous foreign governments for more than five decades. Redden was the author of more than 50 books, many of which have been used as texts in leading American universities and cited by various state and federal courts including the Supreme Court of the United States. Among his works were: *Modern Legal Systems Cyclopedia; Punitive Damages; Federal Rules of Evidence Manual; Modern Legal Glossary; Lawyers Medical Cyclopedia; and Lawyers Investment Manual.*
