

From One of the Most Notable Figures in American History . . .

*An Important Work on the Women's Suffrage Movement of the Late
Nineteenth Century!!*

ACCOUNT OF THE PROCEEDINGS IN THE TRIAL OF SUSAN B. ANTHONY

On the Charge of Illegal Voting, at the Presidential Election in Nov., 1872.
And on the Trial of Beverly W. Jones, Edwin T. Marsh and William B. Hall,
the Inspectors of Election by whom her Vote was Received

By Susan B. Anthony

In this work, the legendary Susan B. Anthony provides an account of the landmark suffragist trial before the U.S. Circuit Court for the Northern District of New York, which brought the cause of women's voting rights to the forefront of national attention.

A group of women led by Anthony attempted to vote during the presidential election of 1872, claiming they were entitled to do so by the Fourteenth Amendment. The presiding officials, Jones, Hall, and Marsh, decided by a majority to accept their ballots. The women were soon arrested for this act and indicted for "knowingly voting without having a lawful right to vote." The officials in question were also indicted.

This volume reprints the text of the indictment and a transcript of the testimony with connecting commentary. The appendix offers an address by Anthony delivered before her trial, a speech on her behalf cause by Joslyn Gage, and a critical assessment of the trial by John Hooker.

No woman in American history has received more attention for her role in the suffrage movement than Susan B. Anthony, and this account of the proceedings of her trial provides valuable insight into the ability of her and other women to overcome the tremendous injustices they faced.

WOMAN SUFFRAGE AND POLITICS The Inner Story of the Suffrage Movement

By Carrie Chapman Catt and Nettie Rogers Shuler

This work concerns itself with the intersection of American politics and the woman's suffrage movement by revealing the bearing of American politics upon the question of suffrage. While other countries readily offered women the right to vote, the authors' research discovered that politics played the most important role in preventing the advancement of the suffrage movement in the United States.

WOMAN'S SUFFRAGE BY CONSTITUTIONAL AMENDMENT

By Henry St. George Tucker

Tucker (1853-1932), the grandson of Henry St. George Tucker, was a Congressman from Virginia and an opponent of most social legislation. He argues that a Constitutional amendment providing for women's suffrage would violate the division between state and federal powers. According to Tucker, the right to vote is not a federal issue, but a local one. Reprint of the 1916 Yale University Storrs Lectures.
