About Veterans Benefits: A Legal Research Guide

This research guide breaks down the broad topic of benefits available to military veterans by providing information on benefits such as education, health, disability compensation, employment protection and preference, taxes and lending, and housing loans. It also touches on state laws and programs as well as listing secondary sources, websites, data, and statistics.

About the Author

Lauren M. Collins joined Cleveland-Marshall College of Law in August 2013. Prior to that, she was director of the law library at North Carolina Central University School of Law and the Head of Reference Services at the J. Michael Goodson Law Library at Duke University. She has held positions as a reference librarian at Duke, Wayne State University and the University of Miami.

Professor Collins is active in the American Association of Law Libraries (AALL), having served on national committees and as an officer at the local and national levels. Her work includes articles in AALL Spectrum and the North Carolina State Bar Journal. She has developed legal research lessons for the Center for Computer-Assisted Legal Instruction (CALI) on international legal research topics and cost-effective legal research.
