

Israel Law Reports

The availability of the Israel Law Reports in digital format enhances your research capabilities by allowing you to:

- Access more than 220 cases
- Retrieve cases by citation
- Search across the entire database
- Print/Download searchable PDFs
- Link to other law journal articles that cite the Israel Law Reports

Cumulative tables are included for reference to other volumes in the database, as well as to select cases for specified time periods. Also, a “Table of Cases Published in English Translation” lists, in alphabetical order, all cases that have been translated into English and appear in the Selected Judgments of the Supreme Court of Israel Series and in the present Israel Law Reports Series.

This database also includes access to Israel Law Review from volume 1 to the current issue.
