AMERICAN JOURNAL of INTERNATIONAL LAW

'A' Rated – AALS Law Books Recommended for Libraries List 46, International Law, Page 3

“Nobody working in international law can do so without the *American Journal of International Law*.”
- Professor Jochen Abr. Frowein, Director, Max Planck Institute for Comparative Public Law and International Law

The distinguished *American Journal of International Law* has been published quarterly since 1907. It features articles, editorials, notes, and comments by preeminent scholars on developments in international law and international relations, as well as summaries and analyses of decisions by national and international courts. Contemporary U.S. practices in international law are also covered, and each issue lists recent publications in English and other languages, many of which are reviewed in depth. The *Journal* is indispensable for all professionals working in international law, economics, trade and foreign affairs.

CAREERS in INTERNATIONAL LAW: A GUIDE to CAREER PATHS and INTERNSHIPS in INTERNATIONAL LAW (2005-2006 Edition)

This *Guide* is a valuable resource for any student or new professional considering a career in international law, providing advice concerning internships and career paths in public and private international law fields, such as human rights, international trade, the environment, telecommunications, finance and banking, international development, and dispute resolution.

Overviews of the areas discuss career paths and employment trends, and give suggestions on career preparation. Detailed information and descriptions of internships are provided, as are procedures for applying. The *Guide* also contains essays, in which seasoned practitioners and academics active in areas ranging from public international law to human rights law share their experiences and offer advice.

PROCEEDINGS of the AMERICAN SOCIETY of INTERNATIONAL LAW

**'A' Rated – AALS Law Books Recommended for Libraries
List 46, International Law, Page 10**

"The *Proceedings* is an invaluable source of current opinions on international law problems."

--Keith Hight, Counsellor in International Law

The ASIL *Proceedings* forms a record of the Society's Annual Meetings, the first one being held in 1907. At these events international scholars, practitioners, and experts gather to discuss and present research papers on the latest developments in such areas as trade and investment, the environment and human rights, and in such regions as the Middle East, Latin America and Europe. Also included are speeches given by U.S. government and international officials, who often use the occasion to make major policy Statements.
